A. Life of an Athlete Codes of Conduct Presentation

Two representatives from NHIAA gave a presentation about codes of conduct for athletes. Codes for athletes should fit community, have positive messages, include nutrition and sleep. Athletic Department should have a pre-season meeting for athletes and parents.

Jeff Cloos presented a draft for a new updated Codes of Conduct for Inter Lakes athletes. The committee voted to have a special work session to go over the draft and to work on a final draft. Work session is scheduled for April 30<sup>th</sup> at 6:30 in the high school library.

B. Global Topics Brainstorming

A list was made of topics that the committee needs to address. The list is:

code of conduct  
coach mentoring

evaluations of coaches by athletes and perhaps parents  
schedule conflicts: vacation, band, chorus, student council  
communication to parents  
tournaments for fun & penalties (BB)  
website updates and improvements  
athlete roster  
Booster Club  
uniforms - new needed  
commitment to 1 team at a time  
donation requests  
recognition to seniors

#### C. Senior Athletic Banquet

For the last two years, the committee has organized a banquet at Hart's for senior Athletes. The cost is around \$1,200. It was voted to not hold the banquet this year, and use the money toward the current program. It was suggested that it would be great to use the money toward new uniforms.

#### D. Chem Free / Post Prom Donation Request

A request was made to the committee for a donation toward the Chem Free After Prom Party. Discussion was had, and the committee voted to not grant the request. It was also noted that donation requests would be a topic to discuss and a decision was needed as to what, if any, donation requests would be granted.

Next meeting: June 16<sup>th</sup> 3:30 in the cafe. Global Topics will be discussed, along with the committee structure and public input.

Respectively Submitted,

Melissa Sullivan
