

## Athletic Advisory Board Meeting Minutes

April 8, 2013

- I. Old Business
  - a. Senior Banquet – Final preparations are being made including the invitations are being prepared. Jeff asked Patte Morrow if she had the invitation. Patte said she would look for the invitation and send it to Jeff. Jeff will send out the invitation. It will be held at Harts on Sunday, May 5, 2013. Athletes have their dinner paid for and they receive a \$10.00 Subway Card. The *Spirit of Inter-Lakes Award* is given to one senior boy and one senior girl. It was discussed that flowers and balloons would be used as decorations for the tables.
- II. New Business
  - a. MS Track Championship Concessions – The Middle School State Track Meet will be held at Inter-Lakes on Monday, May 20, 2013. It was discussed that waters, Gatorades, granola bars, baked goods, hot dogs and sandwiches would be sold. Patte is taking the lead. We need two eight foot and one four or six foot table, four chairs, and two extension cords for 3:10 p.m. down by the lower lot. Patte told Jacki she needs help. Everett will e-mail Chris Wald for the tables, chairs, and cords. Everett will get the cash box from Wendy.
  - b. D3 Track Championship Concessions – The concessions were offered to the football organization, but they declined. This will bring a large amount of people to our school for this event. The concessions could be offered to the classes. It will be held on the Saturday of Memorial Day weekend. The Career Partnership could provide the labor. Rotary or Kiwanis could be asked to supply labor. Jeff will offer the classes first. Allison suggested we have a table at the event.
  - c. Excused Absences – Jazz Band and School Trips – Jeff explained there have been scheduling conflicts between band and athletics. Everett asked, “Could Jazz Band be scheduled multiple afternoons to give Ms. Eynon the time she needs to work with Jazz Band as opposed to one long afternoon?” Jeff will check on this with Ms. Kennelly if Jazz Band can be scheduled differently. School trips over April vacation is a mute point because there are no mandatory practices or games over April vacation. A discussion ensued regarding students playing if they choose to go on vacations during school vacation whether they are excused or unexcused. Jeff talked about how attendance was enforced differently with team and individual sports.
  - d. Red Sox tickets donation – An alumnus has 28 Red Sox tickets to give away. They are going to ILSB to be accepted for donation. The donor stated it could be used as the Athletic Department sees fit. The game is on May 9, 2013. A suggestion was to give them either to the baseball/softball teams or senior athletes.
- III. Next Meeting – May 13, 2013.
