Meeting Discussion:

1. Winter Sports Sign-Up
 - a. New process went relatively, hopefully will have a better turn out for registration night next. The Junior High had lots of communication in advance, parents and players seemed to take advantage of the registration night with a high percentage turnout. High school athletes and parent participation was disappointing. Jeff Cloos indicated he would like to see at least 85% attendance at the Registration night to makes the sign-up and paperwork process much easier for the coaches and himself. The coaches appreciate having all the paperwork done before practices even start to allow them to focus more on the athletes and the tryout process.

2. Coaches Council Meeting
 - a. Jeff Cloos invited all Junior High and High School coaches to meet between the seasons during early November. Topics discussed included Drug & Alcohol Policy, individual vs. team sports and the rules regarding missing practices, bus rides home from events – should it be mandatory for athletes to ride the bus home together as a team and Eligibility requirements.

3. Next Athletic Advisory Board Meeting:

 - b. Agenda items for future meetings should be submitted to Jeff Cloos at jeff.cloos@interlakes.org
