- II. Update on Athletic Trainer.
 - a. Jen Gorsuch is here. Kids and coaches are getting used to having a trainer – going to her for help and advice. Jeff shared an email that he received from Stevens HS that was very complimentary towards the service of the trainer. A question was raised about the regulations – an EMT needs to be present? Or on call. Minimum is to have a trainer or EMT on location at the football games. Jeff’s goal is to have trainer here every day for practices and games.
